

2021 *ANNUAL REPORT*

 **SUMMIT PARK** CHURCH

Last year was an amazing year at Summit Park Church! God helped us, his Kingdom advanced, and hundreds of people came to know Jesus!

Every number in this Annual Report represents life change that would not be possible without your involvement and generosity. We are so grateful for YOU! We are praying and believing that 2022 will be our best year yet!

TOMMY'S STORY

"Church used to be a place where I went, sat down, listened, and then went home. Ever since I've come to Summit Park, I feel like I've been lit on fire. All I want to do is help other people find what I'm feeling. I believe that God is going to use me to reach out to my school and to people that I could never reach before. I can show them the love and care of Jesus Christ."

CAMERON & LINDSAY'S STORY

"We attended our first service at Summit Park and went to the Welcome Party later that same evening. We instantly felt a connection and felt so welcomed by everyone there. We were really excited to get plugged in. We are now a part of three Small Groups: a married group, and a men's and women's group for each of us. We know we are building deep, lasting relationships. God didn't call us to do life alone, and there is no way we would have adjusted to this move as well as we have without finding an awesome group of people to encourage us and pray for us along the way."

KATELYN'S STORY

"My family had just started attending Summit Park in the fall of 2016 when we went through an incredibly dark and challenging time as a married couple. Attending church and being ushered into the presence of God through worship was the only thing that kept me going throughout the following week. Feeling the tangible presence of God began to define and transform my heart and my life. I've been changed forever because of the goodness of God I found. Now, five years later, I am honored to be a part of the worship team. It's fulfilling to know that I can contribute, even in the smallest way, in creating the same environment for someone else."
